

Dear ECTB Participating Coaches, Parents & Players:

We welcome you to the ECTB organization and anticipate your team will have an enjoyable, memorable and competitive season with us.

We ask that you take the time to review our Rulebook, Policies & Procedures Manual from start to finish as there is a lot of valuable information within its pages.

We have created the following Policies & Procedures for the betterment of our organization and those who participate within it. We pride ourselves on being straightforward; there are no hidden costs, no hidden rules.

We ask that as you review our policies & procedures you bear in mind that these policies have been created and are upheld to provide a standard way of conducting our organization. Everyone is treated fair and equal -no one is given partial treatment over another.

Policies & Procedures, Game & Playing Rules that have changed from the previous year are highlighted in gray

Bear in mind as you review this manual that ECTB has an office staff as well as a field staff (Directors, Umpires, Field maintenance crews) that work diligently to provide your teams with the best of the best in quality tournaments. Policies that outline Administrative Fees or penalties are enforced to again provide a standard within the organization as well as to assist in covering the cost of these dedicated staff members in conjunction with the other up-front costs involved in hosting events (i.e. website upkeep, field rentals, field insurance, field upkeep, etc).

We look forward to having your team with us for another season!

Sincerely,

ECTB Staff

ELITE CHAMPIONSHIP TOURNAMENT BASEBALL

Official ECTB Team Manual

Please Note: This Manual (Rulebook, Policies & Procedures) is not inclusive. ECTB reserves the right to make changes, updates and additions to these rules, policies and procedures when deemed necessary by ECTB Officials. Teams not finding a rule in ECTB can refer to the online Rulebook that will have all updated changes and additions. The online Team Manual can be found at www.ectb.org under the INFORMATION link on the Home Page of the website.

Section A NAME AND OBJECTIVE

- A1. NAME:** This organization was established in 1999 as East Coast Tournament Baseball, Inc. In 2005, the organization legally changed its

name to ELITE CHAMPIONSHIP TOURNAMENT BASEBALL.

- A2. OBJECTIVE:** The objective of ECTB is to organize and promote youth and adult baseball events for the love of the game. This organization is committed to providing opportunities for teams and individuals to compete in tournaments, leagues and showcase competitions that lead to state, regional and National Championships. ECTB strives to grow its organization across the United States thus the need to change the name of the organization from **East Coast** to **Elite Championship** to allow the promotion and growth of the organization beyond just the East Coast.

Section B MEMBERSHIP

- B1. TEAM MEMBERSHIP:** All teams participating in an ECTB function (i.e. tournament, league, official or sanctioned) are required to be licensed members with ECTB's organization. This is an annual membership due of **\$50 per team** (Non-Refundable) that must be paid prior to a team participating in their first event of that season.
1. A team's annual membership dues cover them for all ECTB events (official and sanctioned). ECTB membership allows teams to qualify for ECTB National events.
 2. Teams can view the Manual on the website or purchase pocketsize manuals at the online store, www.ectb.org.
 3. **Each team will receive their ECTB membership number for the current season. MEMBERSHIP SEASON: Membership runs from September 1st through August 31st for Membership only. All teams will be required to pay for their 2016 membership September 1st, 2016 to participate in the fall of 2016 and/or to purchase 2016 Team Season Insurance.**
 4. Teams need to print their team's ECTB membership certificate by logging onto the website with their assigned username and password.
 5. Teams participating in ECTB events, whether Official or Sanctioned events, may be required to show their team ECTB membership certificate prior to the start of the event. ECTB does notify all Sanctioned Hosts and field directors as to anyone who is outstanding

on meeting this requirement.

6. Teams that do not comply and pay their ECTB dues prior to the event start date will be required to pay this fee prior to taking the field. Teams will NOT participate until this fee is paid. NO EXCEPTIONS!

B2. LEAGUE MEMBERSHIP: All teams participating in an ECTB League are required to be licensed members with ECTB's organization. Please see B1 for details about membership.

B3. TOURNAMENT PARTICIPATION: ECTB offers two types of tournament events on the website.

1. Official ECTB Events:

These events are hosted and conducted by ECTB officials.

- a. Official events will be advertised in **RED** (in most cases) and will have "ECTB" in the title of the tournament name (i.e. ECTB 5th Annual Mother's Day Classic). Some Official events will be listed in other colors if they are Wood Bat events or other types of events. Check the Color Code Key on the website to determine what type of event you are interested in registering for.
2. **Sanctioned Events:** Sanctioned events are hosted and conducted by individuals who have signed a contract with ECTB. These individuals have been granted approval by ECTB Officials to Host events and must follow the mandatory guidelines set forth by ECTB. Sanctioned events are NOT Official events.

Option #1: These Sanctioned Events are listed on the website in TEAL. These events are sanctioned ECTB BUT they are Administrated by the actual host which means the Host is responsible to collect their own entry fees, follow up with teams regarding fees due, paperwork due, create their own brackets, schedules, etc. They are also responsible for any refunds to teams based on teams withdrawing from events or in the event of inclement weather and events canceled. They are required to follow ECTB's Refund Policies as well as all other Policies outlined in the ECTB Manual that pertains to hosting a Sanctioned Event.

All Sanctioned Events:

- a. Sanctioned events offer Invitational Berths to the annual ECTB National Championship Series (NCS) held annually in late July / early August. Check the tournament details to determine if the event offers a PAID berth (entry fee for the event is paid) or just an Invitational Berth (invitation to the NCS but not paid).
- b. Sanctioned events will follow the Official ECTB Rulebook as well as Official ECTB Policies and Procedures unless otherwise specified in the Tournament Details.
 - i. If a Sanctioned Host requests to have Addendum or Amended Rules, the Host is required to present this to ECTB when submitting their request to host an event. Addendum rules must be approved by ECTB.
 - ii. If approved by ECTB, the Addendum / Amended rules will be included in the Tournament Details on the website and the Host will be required to provide each team with a copy of the Addendum / Amended rules at the start of the tournament.

ECTB CAN NOT BE HELD LIABLE FOR ANY FEES SENT DIRECTLY TO THE HOST OR FEES THAT HAVE BEEN FORWARDED TO A HOST.

- B4. TOURNAMENT REGISTRATIONS:** All ECTB tournaments held prior to ECTB National Championship Series (NCS) events will qualify teams for NCS play.
1. Teams are eligible to register for any event in their own age bracket or any age division up.
 2. All registrations must be done via the ECTB website (www.ectb.org).
 3. Teams can register for as many events as they would like. Registrations are not guaranteed for those events until payment is received.
 4. **“Intent to Participate”:** Teams can register with “Intent to Participate” BUT are not guaranteed a spot in that event until the tournament entry fee is received in full and only then based on availability. Teams that are registered with “Intent to participate” can submit a Reservation Deposit to reserve a spot (based on availability) BUT must then submit the balance before the sixty (60)

- day deadline. See **B5** for further details on Reservation Deposits.
5. Teams registering with a credit card and paying the entry fee in full have an automatic guaranteed spot in the event as long as there are still available spots in that bracket.
 6. Age Brackets should not exceed sixty-four (64) teams (per age bracket).
 7. An age bracket can be held with a minimum of four (4) paid teams.

 8. If division has less than 4 teams in a bracket, brackets may be combined (ex: 9u and 10u, 11u & 12u, 13u & 14u, 15u & 16u, 16u & 18/19u). This will only happen IF a division does not reach a minimum of 4 paid teams by the deadline.
 - a. If a bracket is canceled, paid teams will be issued a Voucher that they can use for a full cash refund or full transfer to another event.
 - b. Teams in a bracket that is canceled due to lack of teams will be offered the option to play up in the next age division (where applicable).
 9. Event registrations will be accepted (based on availability) up to one (1) week prior to the start of the event.

B5. RESERVATION DEPOSITS: Teams can pay a \$75 (**NON-Refundable**) credit card or check deposit to reserve a spot in an event that will hold that team's spot up to sixty (60) days prior to the start of the event.

1. Teams wishing to reserve spots in upcoming events will have the ability to log onto the website and submit a credit card deposit of \$75 (**NON-Refundable**) to reserve that spot. **ECTB will also accept checks for deposits on events but spots are not guaranteed until the check has been received in the office and recorded.**
2. Teams can pay a reservation deposit on as many events as they would like.
3. Reserved spots will be held up to sixty (60) days prior to the start of that event.
4. Teams must pay the balance of the entry fee before the sixty (60) day deadline.
5. Should a team decide to withdraw from the event, the deposit is **NON-Refundable**.

6. If a team does not pay the balance of the entry fee by the sixty (60) day deadline, the reserved spot will expire and the team will **forfeit** the deposit.
7. If a team loses their deposit (due to not paying the entry fee balance before the sixty (60) day deadline) and still wants to participate in the event, the team would be required to pay the full entry fee if there are spots remaining. **NO EXCEPTIONS!**
8. Reservation Deposits can be transferred under the following conditions:
 - a. The deposit has not yet expired for the current event it was placed on.
 - b. The tournament that the deposit is being transferred to is at least sixty-five (65) days from the date it is scheduled to start.
9. Deposits will only be accepted for Official ECTB Events. Deposit option is not available for Sanction Option #1 events (listed in Teal).

B6. PAID WAITING LIST: Once an age bracket for an event is full (all available spots are filled by either full payment teams or teams with a reserved deposit), teams that wish to pay in full or by deposit will be placed on a WAITING LIST.

1. A team on a Waiting List will obtain a spot in the bracket one of two ways:
 - a. Bracket opens up to additional teams.
 - b. A team drops out of the secured bracket.
2. A fully paid team on a Waiting List will take seniority over a deposit team on a Waiting List. If a deposit team pays their balance, they will then take the next seniority spot on the Waiting List behind any other teams that are already paid in full on the Waiting List.
3. If no spots open up and a team is on the Paid Waiting List, the team will be issued a Voucher that they can either request a full cash refund or they can apply it towards a future event.
4. Age Brackets may initially be limited to the first eight (8) paid teams (unless ECTB determines otherwise based on the event / age divisions history of number of teams that participate in a specific event). Brackets will be evaluated and opened up to additional teams in increments determined by ECTB.

B7. INSURANCE REQUIREMENTS: All teams participating with ECTB (i.e. Tournaments, Showcases and Leagues) are required to have valid proof of Insurance on file with ECTB. Teams have the following options concerning insurance.

1. **ECTB TEAM SEASON INSURANCE:** ECTB provides discount rates to teams for season insurance. Teams can purchase ECTB Team Insurance by logging onto the ECTB website with their username and password or call the office for assistance. Policy coverage is clearly outlined on the website. ECTB Team Insurance is good from the date of purchase to the last calendar date of that year (i.e. January 1, current through December 31, current year).

ECTB TEAM INSURANCE RATES: To be eligible to purchase ECTB Team Insurance, a team must be a current ECTB member (see B1 Team Membership).

For current Team Insurance rates, please visit our website (www.ectb.org).

2. **3rd PARTY INSURANCE:** Teams who already have Insurance coverage must request to their insurance company to have “**ELITE CHAMPIONSHIP TOURNAMENT BASEBALL, LLC**” or “**ECTB, LLC.**” listed on their policy as “**Additional Insured**” and provide a copy of their insurance certificate to ECTB. The certificate sent to ECTB

MUST actually list ECTB’s organization by name as Additional Insured to your 3rd party coverage or the certificate is not valid for the team to participate with ECTB. **NO EXCEPTIONS!**

- a. Teams submitting proof of 3rd party insurance should fax the certificate with a cover sheet to the ECTB office (Fax: 610-841-9508). The cover sheet **MUST** include the Team Name, Age group, Coach / Contact Name and Phone

Number. If the policy / certificate covers multiple teams within an organization, please specify the age groups the policy includes and the exact names of the teams covered under the blanket certificate if the individual team names vary.

- b. Policies / Certificates sent to ECTB that are NOT easily identified will be placed in a folder for one (1) week. A team that faxed or mailed their certificate should follow up by checking the website to be sure that their policy was received and updated or call to confirm receipt. Any certificates that do not include the required information or are not claimed will be disposed of after one (1) week.

Section C

C2. INCLEMENT WEATHER POLICY (Updated/effective 6/1/12): In any tournament, ECTB will endeavor to conduct that tournament in accordance with its published tournament format (i.e. game guarantee, # of innings, dates, fields, etc.). However, ECTB reserves the right to change that format at any time due to circumstances beyond ECTB's control. There will be no refund or adjustments of entry fee due to situations outside of ECTB's control except as expressly stated herein. This policy is in effect for ALL events (Official & Sanctioned).

See C9 for further info on Weather Insurance.

Sanctioned Events (Option #1 ONLY - Listed in TEAL): ALL Hosts opting to Host Option #1 Sanctioned Events MUST issue REFUNDS (NO CREDITS) to ALL teams due a refund due to withdraw or inclement weather based on the above outlined entry fee percentages. NO EXCEPTIONS! Refunds MUST be issued to teams within fourteen (14) days of withdraw or event cancellation where applicable!

Sanction Events / Hosts:

Sanctioned Hosts – Option #1: must refund teams directly based on the above outlined policies (Option #1 events – Host must refund teams). Host CANNOT hold credits on file for teams that have withdrawn timely or due to weather cancellation.

C3. CANCELED EVENTS / BRACKETS REFUND POLICY: An age group / bracket will be held as long as there are at least four (4) paid teams in a given age bracket. In the event that an age bracket has less than the minimum four (4) teams required, ECTB will offer the following options:

1. Teams in a bracket that does not meet minimum required teams will be offered the option to play up an age group (i.e. 13u play up in the 14u bracket). These teams will be given a deadline to notify ECTB of their decision to play up.
 - a. If there is a difference in the entry fee, the team will be

required to pay the difference if they opt to play up.

- b. Once a team notifies ECTB of their intent to participate in the next age up age group, they will be considered locked into that event. If the team changes their mind and decides to withdraw after informing ECTB that they will play up, they will be subject to the refund policy outlined in Section C1 – Withdrawing from Event Refund Policy.
2. Teams in a bracket that does not meet minimum required teams that do NOT wish to play up an age bracket will be issued a **VOUCHER**. The Voucher can be accessed by the team logging on the website with their username and password. The Voucher will be issued at the full amount of the entry fee originally paid and can be used one of two ways:
 - a. The **VOUCHER CASH Refund** can be cashed in at **full** entry fee value. Cash refunds are issued by ECTB within twenty-one (21) days from the date the voucher “cash request” is made unless a specific request is received from the team indicating the need for an immediate refund.
 - b. The **VOUCHER Transfer Value** can be transferred at **full** entry fee value to a future OFFICIAL event of equal or greater value. If the event the Voucher is being applied towards has a higher entry fee, the team is required to pay the balance due and will not be marked paid (secured the spot) until the balance is paid.
 3. Only teams that are in the bracket that did not reach minimum team requirement have the option to withdraw from the event without penalty of entry fee if the age bracket is canceled within the thirty (30) day cancellation policy.

This means that teams in the age bracket up do not have the option to back out within thirty (30) days (without penalty) because they don't want to participate against younger teams. (i.e. 13u bracket canceled, two (2) teams from 13u bracket opt to play up in the 14u bracket. Teams originally in the 14u bracket do not have the right to

withdraw without penalty because they don't want to play against two (2) 13u teams.)

4. Sanctioned Events – Option #1 (TEAL events): Host is responsible to refund teams when a bracket is canceled due to lack of teams.

C4. LEAGUE REFUND POLICY: Refunds for teams registered and paid for Sanctioned ECTB leagues will be subject to the following policy:

1. **Written notice of request to withdraw from a Sanctioned League is required.**
 - a. Teams requesting to withdraw from a Sanctioned league are required to log onto the website and unregister their team from the league. When doing so, the website will indicate, based on the date the team is unregistering, if there is any penalty.
 - b. Teams requesting to withdraw from a Sanctioned league that are unable to unregister themselves for whatever reason **MUST** submit written notification (by e-mail or regular mail) to ECTB's Office (info@ectb.org) requesting to have their team removed from the event.
 - i. Written request must include: Team name, age group and coaches name and the name of the league they are requesting to unregister from as well as the request to withdraw.
 - ii. Written request must be dated and signed by the individual making the request. If the person making the request is not the contact listed for that team, the individual must include their affiliation to the team as well as a valid phone number.
 - iii. ECTB will only remove a team once a written request has been received in the ECTB office. The team will be unregistered per their request on the date the written request is received.
2. Withdrawing from a Sanctioned ECTB League **at least** thirty (30)

days **prior** to the official start date of that league: Teams will be issued a refund of their league fees less a \$50 **NON-Refundable** Administrative fee as long as the request to withdraw from the league is received in writing at least thirty (30) days prior to the official start date of that league.

3. Withdrawing from a Sanctioned ECTB League **within** thirty (30) days of the official start date of that league: Teams will **FORFEIT** their **ENTIRE** league fees. NO EXCEPTIONS!
4. If ECTB cancels a Sanctioned League for whatever reason, ECTB will issue **full** refunds to registered / paid teams in that league.

C5. SHOWCASE PLAYER: Refunds for players registered to participate in ECTB Showcases will be subject to the following refund policy:

1. **A player who wishes to withdraw from a Showcase must submit written notice of their request to withdraw.** ECTB will only unregister the player once the written notice is received. Written notice can be sent to ECTB via e-mail (info@ectb.org) or regular mail and should be sent to ECTB's Office Administrator.
 - a. The written request must indicate players name, age, and player's ECTB Profile ID number as well as their request to withdraw.
 - b. If a player is withdrawing from a showcase or event due to an injury, a player **must** include an Official dated physician's note (on physician letterhead).

It is **STRONGLY** suggested that all players 14 and under be accompanied by at least one adult as ECTB/VSC cannot guarantee supervision of your child at

all times UNLESS you have made specific arrangements with your coach or another parent attending this event and he / she is willing to assume complete responsibility of your child.

C7. VOUCHER GUIDELINES: ECTB requests teams follow these guidelines when using their vouchers.

1. Once a team has applied a CREDIT Voucher to another event, the Vouchers value will be that of the transferred value as outlined.
2. A Credit voucher can NOT be transferred more than once UNLESS ECTB has to cancel the bracket/event (due to lack of interest) that the team applied the voucher towards. At that time, the CREDIT Voucher will be reissued under the event it was applied to and become available to apply it towards a future event for another full year from the date it was reissued.
3. A Credit Voucher cannot be applied to an event of lesser (entry fee) value. A voucher can only be applied to an event of equal or greater (entry fee) value. Teams are responsible to pay any entry fee balances on the event the voucher was transferred to in order to be marked paid for that event.
4. If a team withdraws from the event they applied their Credit Voucher towards PRIOR to thirty (30) days of that event start, the team will be issued a PAPER CREDIT less \$75 NON-Refundable Administrative fee.
 - a. A Paper credit is ONLY available to be used/applied towards an Official ECTB event remaining that calendar year.
 - b. A paper credit not applied towards an event remaining in that calendar year will become NULL/Void once that current calendar season is over
 - c. Only exception would be for paper credits received in the fall. ECTB will allow paper credits received in the fall to be applied towards a spring event the following season (prior to Memorial Day weekend). Paper credits not applied/used towards a spring event by this deadline will become NULL/Void.

5. If a team withdraws from the event they applied their Credit Voucher towards WITHIN thirty (30) days of the event but PRIOR to fourteen (14) days of the event start, the team will be issued a PAPER CREDIT less \$150 NON-Refundable Administrative fee. (4. a-c above applies).
6. If a team withdraws from the event they applied their Credit Voucher towards within fourteen (14) days of the start of the event they applied their credit voucher towards, they will FORFEIT their ENTIRE CREDIT VOUCHER. (See Section C1)
7. When a voucher is issued to a team, the voucher will appear on the home page of all contacts listed for that specific team. Once a contact clicks on the voucher and applies it towards a future event or uses it towards ECTB Store merchandise, the voucher is spent. Contacts listed for the team should consult with one another before applying the Credit Voucher towards an event or merchandise. ECTB will not be held responsible for vouchers being spent by persons/contacts listed for the team who should not have access to spend the team's vouchers.
8. Credit Vouchers will NOT replace any entry fees already on deposit/paid for an event. This means a team can not apply a CREDIT voucher towards an event they have already paid for.
9. Credit and Cash (See Section C3 Canceled Events/Brackets Refund Policy) Vouchers are considered redeemable for up to one (1) full year from the date they are originally issued. If a team does not apply the voucher to another event or request a cash refund (if applicable) within the designated time frame, the Voucher will become NULL/VOID and the team will forfeit the voucher.
10. Vouchers can only be applied towards Official ECTB events and SOME Sanctioned events (if applicable).
11. Vouchers cannot be used/applied towards Sanctioned events listed in TEAL (Host Option #1) on the ECTB website.

12. Vouchers issued as CREDIT value have NO CASH VALUE. NO EXCEPTIONS.

C8. REFUND DISCLAIMER: ELITE CHAMPIONSHIP TOURNAMENT BASEBALL cannot now or ever be held liable and/or responsible to issue refunds greater than the NET amount (amount being retained in the ECTB office **less** fees forwarded to a Sanctioned Host prior to scheduled event). ECTB retains **NON-Refundable** Administrative fees as outlined. It is understood and agreed that ECTB charges an Administrative fee from all fees collected in conjunction with Official and Sanctioned events. ECTB will ONLY issue Vouchers when it has received and cleared all fees associated with the event (i.e. Tournaments, Leagues, and Showcases).

C9. WEATHER INSURANCE (Effective 5/1/12) : ECTB offers teams participating in OFFICIAL ECTB events (listed in RED or Black on the website) the option to purchase WEATHER INSURANCE for an additional \$50/event/entry fee. This will ensure a team that if an Official event is canceled due to weather PRIOR to the event starting (NO Games started / Event is canceled in advance to ANY team taking the field), Team who purchases Weather Insurance will be issued a 100% voucher at both cash and credit values. They can opt to cash in for a full refund or apply the credit towards a future OFFICIAL Event.

1. When registering for an OFFICIAL ECTB event, the website will automatically add the \$50 Weather Insurance into the entry fee. If a team does NOT want to add Weather Insurance, the team must OPT OUT of the Weather Insurance which will take the additional \$50 off their entry fee. Here are the policies in effect for purchasing Weather Insurance :
 - a. Weather Insurance is only available to be purchased up to seven (7) days prior to the event start. Once the event is within seven (7) days of starting, Weather Insurance is no longer available to purchase for that particular Official event.
 - b. If a team opts to purchase Weather Insurance for an Official event and that event is rained/snowed out or canceled PRIOR to the event ever starting, the team will be issued a FULL 100% Voucher at both cash & credit value.

- c. **If a team opts to purchase Weather Insurance, the team will receive a 100% cash & Credit voucher value as long as their team did NOT start One (1) game (refer to definition of “game started”). Once Team who purchased weather insurance “starts” a game, Weather Insurance is null/void and no longer applies and Teams resort back to C2: #4 Credit Vouchers only.**

- d. **If a team opts to purchase weather insurance and the tournament does not have any rain/snow, the weather insurance is NONREFUNDABLE. Weather insurance is just like having car insurance. Just because you don't have a car accident does not mean the insurance company will give you the premium you paid back. Weather insurance is the same way. Once you pay the \$50 / event for weather insurance, it is NONREFUNDABLE whether it is used or not. NO EXCEPTIONS.**

- e. **If a team opts to apply a CREDIT ONLY voucher towards an entry fee that they wish to purchase Weather Insurance for, Weather Insurance can be purchased for that event BUT the cash value of that voucher will ONLY be issued at the ACTUAL CASH amount paid towards that entry fee. Credit only vouchers applied towards an entry fee remain ONLY CREDIT VALUE and cash cannot be requested nor will it be refunded for credit only vouchers.**

C10. ECTB Administrative Fee: (Effective 5/1/2012), ECTB will not retain an Administrative fee when a tournament is canceled PRIOR to the start due to weather. The only time a fee will be retained is if a team requests a cash refund of an entry fee for an event that was canceled prior to the start due to weather and the team did not opt to purchase Weather Insurance. At that time, the team will be eligible for a 50% of the entry fee cash refunded based on the actual amount of cash paid for the entry fee. If a team applied a credit only voucher to pay the entry fee, the voucher is only credit available and no cash will be refunded.

If anyone should have any further questions on how the Weather Insurance option works or how to go about purchasing it for any Official events your team is interested in participating in, please feel free to contact us at 610-841-9505.

Section D ELIGIBILITY

D1. COACHES AND TEAM ELIGIBILITY AND REQUIREMENTS:

1. **ONLINE TOURNAMENT ROSTERS:** The Head Coach (or Team Administrator) for each team is required to submit an online Tournament Roster for EACH tournament they participate in. The Roster should be submitted at least one (1) week prior to that particular event. A Tournament Roster can be accessed by logging on to the website with a username and password to the team's home page. Scroll down until you see the heading (in black) that reads "Registered for These Tournaments". By clicking on the name of the tournament, it will take you to an Options page.

Click on View / Submit Event Roster link. Select each eligible player that will be participating in that particular event. Once you have selected each player, scroll to the bottom of the page and click on Update Tournament Roster. This will submit the roster you plan on using for that event. You can always go back and add players and resubmit the Roster up until the tournament start. ECTB checks each Roster prior to the event and will notify you if you have any illegal players.

- a. **ROSTER MAXIMUM:** A team must be composed of no more than twenty (20) players for all age divisions.
- b. A team must be listed from the state in which fifty percent (50%) of the players are from.
- c. Coaches need to complete **ALL** required fields when filling out and submitting their team rosters.

- e. **FALSIFYING BIRTH DATES:** If a Coach is found to have falsified birth dates for players when submitting his Roster, the coach will be suspended from coaching any team within ECTB's organization for a period of time determined by ECTB (see Section G – Acts and Reasons for Suspension).
- f. **Follow up at the field:** Upon arriving at the field for a team's game, Field Directors will have a copy of any team(s) that submitted illegal players on their roster. The Field Director is instructed to approach the offending team to review their lineup card. If it is noted at that time the illegal player is listed as participating in the lineup, the coach will be advised that the game will not begin until the illegal player has been removed from the lineup and a legal replacement is put in that spot in the lineup. If the coach does not immediately remove the illegal player, the offending team will forfeit that game and have a determined number of runs placed against them. The offending team will be removed from the remainder of the tournament.
- g. If the offending team complies and removes the illegal player, the game will commence, BUT the team WILL be questioned and their lineup card will be reviewed at ALL subsequent games for the remainder of the tournament.
- h. **Teams that want to participate in ECTB events and remain in good standing with ECTB will participate with a legal roster and win events fairly and legally.**
- i. Event Rosters must be submitted no later than the Wednesday prior to the start of the event.
- j. Additions and changes to an Event Roster can be made and submitted up to and no later than Friday morning (noon cut off) prior to the start of the event.
- k. Any changes to a team roster after this cut off would have to be done at the field with the Field Director (at least thirty (30) minutes prior to the start of a team's first game).
- l. Adding a player to a roster at the field requires the coach to fill out a **ROSTER ADDENDUM form** in full. The coach must produce a copy of the additional player(s) birth certificate and have the player's legal guardian sign an

- Individual Player **Waiver Release** form.
- m. The Roster Additions made at the field **MUST** be called into the Head Director and the Field Director must collect the addendum roster form, the player's birth certificate as well as the Individual Player Waiver Release and turn the paperwork into the Head Director to be turned into the main office.
 - n. Once a team starts their first game in an event, no further changes or additions can be made to that team's Roster for the remainder of the event.
2. **TEAM / COACH WAIVER RELEASE:** ALL Teams participating in Official and/or Sanctioned Events or Leagues are required to complete a signed and dated Waiver Release form for EVERY Event that team participates in. Once the Team Administrator or Head Coach submits the Event Roster for an event, they will be able to print off the Team / Coach Waiver. On the team's home page, go to the box headed **DOWNLOADS** and click on the name of the event which will pull up the waiver with the names you have submitted for that event.
- a. All players under 18 years of age, participating in an event, must have a parent sign and date the Team Waiver in order for that player to be eligible to participate in the event. Players 18 years of age and older can sign for themselves.
 - b. **ONLY** four (4) Coaches are permitted to sign the Team Waiver and be in the dugout and/or on the field during a game. If it is determined that more than four (4) coaches / scorekeepers are in the dugout / playing field, ECBT will stop the game and remove any additional coaching staff. The game will **NOT** continue until the offending coaching staff complies.
 - c. Batboy **MUST** have a parent sign the Waiver Release form in order to be eligible to be in the dugout with the team. The Batboy **MUST** wear a helmet covering both ears **AT ALL TIMES** while in the dugout as well as when on the field! **NO EXCEPTIONS!** Any batboy not wearing a helmet or not listed and signed for on the waiver will be removed immediately and will not be eligible to be the batboy for the remainder of that event. **NO EXCEPTIONS!**

- d. **Team / Coach Waiver** MUST be handed in to the Field Director prior to the start of that team's first game of the event! **NO EXCEPTIONS!** Teams that do not have a valid Waiver ready to turn in to the Field Director will be given a blank waiver and will be required to complete the Waiver with parent signatures along with the individual players forms and turn it in to the Field Director before they are allowed to start play. **NO EXCEPTIONS!**
3. **ECTB MEMBERSHIP:** Each team is required to submit their current ECTB Membership Dues. Membership is valid from September 1, through August 31, annually. Failure to be able to produce valid birth certificates immediately upon request is grounds for the team being dismissed from the event and forfeiture of any awards.
6. **OUTSTANDING ISSUES:** The Head Coach (or Team Administrator) is required to have ALL of the above requirements handled prior to the start of their first event. Should a team have any outstanding issues; a Field Director will address those issues at the field prior to the team being allowed to take the field for their first game. Field Directors are responsible to collect ALL outstanding issues (including fees due) and are **NOT PERMITTED** to allow play to begin without collection of ALL outstanding issues. **NO EXCEPTIONS!**

D2. TEAM ELIGIBILITY:

1. **QUALIFYING TEAM ROSTER** for National Championship Series (NCS) **EVENTS:** When a team qualifies for a State or ECTB National Championship Series (NCS) event, the team's roster will be frozen when the team accepts the berth.
 - a. A team roster becomes frozen immediately at the event the team qualifies at. Players are bound to the rostered team for which they qualified on. Winning Team Rosters will be kept on file in the ECTB office to confirm teams are participating in the Championship events legally.
 - b. A coach can add up to and no more than three (3) players to the roster that he qualified with. Additional players can only be added to rosters that have openings to allow for these additions.
 - c. Players can be added to a qualified roster up to seventy-two (72) hours prior to start of the state or NCS event.

 - g. A team with a frozen roster that drops below nine (9) players who has used all options for additions and releases may apply for status of disbandment with the State Director of ECTB or Officials. If approval is granted, the team forfeits berth(s) and the berth becomes null and void.

- h. A disbanded team can reform for the remainder of that season but must re-qualify for a new berth.

D3. INDIVIDUAL PLAYER ELIGIBILITY:

1. A player is eligible to compete in ECTB programs and events as long as he abides by ECTB's bylaws, policies and procedures and playing rules.
2. Player age cut off is May 1st of each year. 3. A player can compete in events on multiple rosters as long as he is not rostered on another team participating in the same age division. A player cannot be rostered on more than one team in the same age division of an event. (Example: You play for a 15u team in the Memorial Day event and later that day you play for a 16u team in the same event.)
4. The player **MUST** be on all team rosters he intends on playing for in that event at the start of the event. He can **NOT** be added to a roster after the start of the event.
5. A player playing for multiple teams within a single event is required to comply with the uniform requirement which means he must be in full uniform of each team he plays for. **NO EXCEPTIONS.**
6. A player can compete in a tournament with a team other than his own but **within** his same organization **ONLY** during a consolation game to avoid a team forfeit. A player(s) can only play in age groups up. A player cannot play any age group under him. (Example: A 13u player participating on a 13u team that has three (3) teams from the same organization (in three (3) different age groups) participating in the same event. The 14u team is going to have to forfeit their consolation game due to injured players. The 13u player from the 13u team can play up for the 14u team, even though he is rostered on the 13u team in order to allow the 14u team to play their 14u consolation game. The 13u player **cannot** play down for their 12u team.) This is **ONLY** for a **consolation game** and **ONLY** for teams **within the same organization.**

Section H **ECTB PLAYING RULES**

H1. SEASON AGE ELIGIBILITY: ECTB endorses the age determining date proposed by USA Baseball. Effective in 2010 and all consecutive seasons, the age determining date will be May 1st instead of previously used August 1st cut off. This age change date will also affect all affiliated events hosted by ECTB.

1. ECTB will play all tournaments by using the NEW May 1st age cutoff date effective immediately. The change for all tournaments occurs in the fall after ECTB National Championship Series (NCS/ACS) events are completed and/or starting Labor Day weekend events.
2. To determine your individual players age eligibility, please use the Age Calculator at www.ectb.org by clicking on INFORMATION (tab on left of home page) and use the provided chart to determine their age eligibility for that specific season.
3. ALL age groups will move up to their next age level starting Labor Day weekend tournaments and all fall events thereafter. This requirement is to assist teams in preparing for the next spring season. (Example: If a team played 10u in the spring and summer of a given season and is participating with ECTB in an event that same season that occurs in the fall, they will be required to play as a new 11u team.) By moving teams up in the fall of every season, teams will have a head start at any new changes that come with the next age level of play (i.e. field dimensions).

H2. FIELD DIMENSIONS: The following field dimensions can be used in any ECTB Official or Sanctioned Event.

1. **6 through 8 under:**
Option 1: 40 ft. mound / 60 ft. bases ECTB Standard

2. **9 and 10 under:**
Option 1: 46 ft. mound / 65 ft. bases **ECTB Standard**

3. **11 and 12 under:**
Option 1: 50 ft. mound / 70 ft. bases **ECTB Standard**

4. **13 and under:**
Option 1: 54 ft. mound / 80 ft. bases **FALL Standard**
Option 2: 60 ft. mound / 90 ft. bases **ECTB Standard**

5. **14 through 19 under:**
Option 1: 60 ft. mound / 90 ft. bases **ECTB Standard**

H3. EQUIPMENT / UNIFORMS: All players must be fully uniformed. A full uniform consists of pants, socks, cap and team shirt with numbers that are non-duplicating and at least three (3) inches in height. All players on a team must be outfitted in matching uniforms unless prior approval granted by ECTB.

1. A full use batting helmet which covers the top and back of the head and the side of the face must be worn by every player while in the on-deck circle, when at bat and while on the bases.
2. While on the field as a defensive player, team caps must be worn.
3. All batboys / batgirls will wear full use batting helmets AT ALL TIMES. NO EXCEPTIONS! Batboys / batgirls seen without a batting helmet at all times will be removed IMMEDIATELY from the dugout / playing field.
4. Managers and coaches should wear clothes with team insignia and be properly dressed (coaches may wear team uniform or coaches shorts). ONLY.....four (4) coaches allowed in a dugout for games. This includes a scorekeeper or batboy as they can be part of the total of four (4) allowed.
5. The catcher must wear all appropriate protective gear including mask,

chest protector, shin guards, protective cup, catchers helmet and throat guard. In age divisions 12u and under, the catcher must wear a protective helmet that fully covers both ears.

6. Metal spikes are prohibited in age divisions 12u and under.
7. Protests on uniforms will not be allowed. It shall be at the Tournament Director / Field Director's discretion to determine uniform legality. Violation of the uniform rule will result in the violator being allowed to conform or be removed from the game.

H4. TIEBREAKING CRITERIA FOR FINAL SEEDINGS: To determine the top spots for the final seeds in an event, ECTB will use the following format. Only in the NCS events do we use a different criteria see below as# 9

1. Overall record of wins / losses. In the event teams do not have wins but have multiple ties, teams with multiple ties cannot be rated higher than a team with a win for reseeding purposes without having a win. Points achieved through ties are non factors in the reseeding process.
2. **Head to Head winner if two teams are tied.** (If more than two (2) teams are tied and one team has beaten all the teams that are tied, they are automatically the higher seed, regardless of runs allowed). When multiple teams are tied and they have not all played each other, Head to Head is only used when there are two remaining teams left and they have played each other.
3. **Runs Allowed** (to get the # 1 seed if more than 3 teams are tied) or if the # 1 seed has been determined, use these criteria to get the # 2 seed or # 3 etc..... **To advance teams to final seeding rounds:** If more than two (2) teams are tied and have not played each other head to head and all runs allowed are equal, at this point, ECTB will use total runs allowed to determine who advances to the Championship game (Example

: Each of these two teams have played three different opponents, Team A gave up 2 runs the 1st game, 1 run the 2nd game and no runs the 3rd game ...their total is three runs allowed. Team B – gave up 2 runs in game one, three runs in game two and one run in game three – total six runs allowed. Team A would advance to the championship because they gave up the least amount of runs against their opponents).

4. **Run Differential** If still tied after using the above criteria, we will use Run Differential, take the total runs scored of each team minus the number of runs their opponents scored against them to determine a higher seed.
5. If still tied after using all of the above criteria. ECTB will take the team with the highest amount of ECTB points prior to the start of the event and that team will advance.
6. If still tied at this point, the ECTB official re-seeding member will flip a coin to award the higher seed for final re-seedings.

In the event of inclement weather during the pool play rounds and not all teams have played their first 2 pool play games, we will use each team's first game played for reseeding purposes.

7. **The following information below is specific to the ECTB National Championship Series ONLY!**

Pool Play Games: Based on seedings by ECTB points home team is determined by higher seed for all POOL PLAY GAMES.

1. **NCS Rules-** All teams will be re-seeded based on Wins and Losses and ECTB Points. ECTB will not use runs allowed to determine the re-seeding process. Example: If six teams go 3-0 in pool play we will re-seed teams by who holds the most ECTB points at the start of the tournament. **Exception: If**

teams have 0 ECTB points and have the same Win/Loss Record we will use Runs Allowed to determine the Higher Seed.

2. NCS Elimination Rounds-

Once teams have been reseeded using the criteria above this will be your new seeding for the remainder of the event (Seeding to start the event that was based on ECTB Points is no longer used at this point). Home and Away teams will be determined by higher seed using the above criteria.

H5. 8 AND UNDER PLAYER PITCH: 8 and under will play 40' x 60', six (6) inning game.

1. Runners may not advance more than one base on a batted ball in the infield. Once a ball hit to the outfield is returned to the infield, regardless of whether or not the defense has control of the ball, no player may advance. (Umpire discretion).
2. Runners can advance at their own risk once a pitched ball has passed home plate.
3. When a runner begins to advance, and does, prior to the ball passing home plate, it's an automatic dead ball. Runner shall be called out, and no other runners may advance. Pitch to the batter shall not count.
4. Runners may not advance from third base to home unless the runner is batted home or forced by a hit batsman or base on balls. Runners may not advance from third on a passed ball or wild pitch.
5. Runners when stealing a base to second or third, regardless of the outcome of the play, may not advance more than one base at a time. In the event a player is stealing second and there is a runner on third, the runner on third **CANNOT** advance during this play, even if over throws occur.

6. The batter cannot advance to first base after a missed third strike.
7. Bunting is allowed, except if there is a runner on third. **NO SUICIDE SQUEEZE PLAYS** are allowed. If a squeeze play is attempted, batter will be called out and no runners may advance. All players who square to bunt must Bunt or take the pitch...if the player attempts to swing (Umpires Judgment) the batter will be called OUT regardless of the outcome of the pitch.
Play will be DEAD....and all runners if any will go back to their respective bases.
8. A runner who earns a walk to first base **CANNOT** advance past 1st base.
9. Nine players will be used on defense.
10. The balk rule will not apply
11. A pitcher may only pitch a maximum of four (4) innings per game by same pitcher.
12. The batting order will consist of 9 or 10 or ALL players on the team roster at the beginning of the game. If you are batting everyone late arrivals must be added in at the end of the batting order.
13. If batting everyone and a player cannot bat due to an injury or illness, that player shall be removed from remainder of the game without penalty, unless this brings the batting order to 8, which will require the removed batter be an automatic out.
14. All base runners must return to their base after a pitch, unless stealing. If a runner **on third** chooses to jump off and take a lead after the pitch crosses Home plate and the ball is not hit into play they **CANNOT** advance and may be **forced** out by a throw to their base at any time.
15. A maximum of seven (7) runs per inning or three (3) outs, whichever comes first. This rule is NOT in affect in NCS play.
16. If batting your entire roster, you have free substitution. If you chose 9 or 10 in your batting order you can sub in for starters

one time, but all starters must report back in the game in their original batting spot.

17. Defensive coaches are not allowed on the field of play and must coach from the dugout.
18. Infield fly rule does not apply.

Section I

BASEBALL TOURNAMENT GAME RULES

- 11. COIN TOSS:** Only in Pool play rounds will there be a coin toss. A toss of a coin between the two managers will determine the home team before each game.
 1. After Pool Play rounds are complete and ECTB reseeds all teams for final seeding or single elimination rounds, the team who has the higher seed will automatically be the home team in single elimination play for the remainder of the tournament. Home team is the official scorekeeper for each game. It is the visiting team's responsibility to ensure the score of the game is correct at the conclusion of each inning.
 2. Visiting Team will have the choice of dugout in all games other than Pool Play.
- 12. PRE-GAME WARM UP:** Teams are **not guaranteed** field time before the start of all their games. Practice time before games is only allowed when games are running on schedule. When possible, the visiting team shall be allotted five (5) minutes of field time followed by the home team receiving five (5) minutes of field time.

Immediately after, play will commence with the home team staying on the field.
- 13. ECTB STANDARD TIME LIMITS:** ECTB will determine and approve game time limits for events.
 1. 12 and under: One hour, forty-five minutes (1 hour, 45 minutes)
 - 13 and up: Two hours (2 hours)

These time limits are not drop-dead, if an inning has been started it must be completed, if the home team is ahead in the bottom of an inning the game will be considered complete once the time limit is reached.

2. The **Semi-Final Games** (Trophy Rounds) time limit will be extended fifteen (15) minutes to allow for games to be completed in their entirety. (Example: 12u – two (2) hour time limit, 13u – two (2) hours and fifteen (15) minutes)
3. **Championship Games:** There will be NO time limit for a championship game in any event.
4. **Seeding and Final Round Games:** Games that are tie at the conclusion or by time limit must finish the game using the International Tie Breaker Rule **ONLY** in seeding and final rounds. Both teams will play to win an inning starting with a runner on second base, no outs and playing until there is a winner. To start the tie breaker, the last batted out from the previous inning becomes the runner on second and the game resumes from where it left off the previous inning.
5. In the event the game is still tied after 2 extra innings of play using international tie breaker rules, ECTB will then add an extra base runner on third and play the following innings starting with a runner on second and third and continue until there is a winner.
6. **Pool Play and Consolation Games:** All Pool Play and Consolation games tied at the end of regulation or time limit will be posted as tied.
 - a. **Consolation Game:** In the interest of keeping the tournament on schedule all consolation games will have a drop-dead time limit. Once the time limit is reached, the game is over regardless of the inning or score. If the consolation game is the last game of the day on any field the inning may be finished if agreed

upon by both teams.

C4. ECTB STANDARD GAME INNINGS: ECTB will determine and approve the number of innings played in a game.

1. 12u and under age divisions: 6 Inning Games
13u and up age divisions: 7 Inning Games
 2. During inclement weather, ECTB reserves the right to shorten games by one (1) or (2) innings in an attempt to complete a scheduled event.
 3. Mercy Ruling: Games can be called for Mercy Rulings after the specific number of complete innings, providing the home team has the certain run lead. After the specific number of complete innings, the game is official.
 - a. Fifteen (15) Run Lead after three (3) complete innings. (If the visiting team is winning by fifteen (15) or more after the top of the third inning, the home team must bat for the inning to be completed. If the home team is ahead by fifteen (15) runs at the start of the third inning, the visiting team will bat in the top of the third and if they do not come back, the game will be complete. If the home team reaches a fifteen (15) run lead during the bottom of the third inning, the game is over once they have gone up by fifteen (15) runs.
 - b. Twelve (12) Run Lead after four (4) complete innings (follows the same template as (a) above).
 - c. Eight (8) Run Lead after five (5) complete innings (follows the same template as (a) above). *This applies in any inning hereafter that either the home or visiting team gets an eight (8) run lead.
- 15. PLAYERS:** A team can begin play with eight (8) players – the ECTB allowed number of players to start. That team will receive an out for the ninth slot in the batting order (if a ninth player shows up during the game,

the player can be inserted into the last spot in the batting order which would eliminate the automatic out).

Teams cannot change to free substitution when starting with eight players (in the event that a team has additional late players show up – nine (9) is the maximum for the remainder of this game).

Teams can **NEVER** finish a game with eight (8) players on an ejection. A team can finish with 8 players if due to injury, with the injured players spot becoming an automatic out. Teams cannot finish with less than 8 players.

16. SLIDING: ECTB does not have a mandatory slide rule. However, players are encouraged to slide if at all possible to **avoid malicious contact**.

1. Head first slides are allowed at Home Plate. Players are allowed to slide head first into a base for advancement.
2. Forced Play Slide Rule: The intent of the Forced Play Slide Rule is to ensure the safety of the defensive player. This is a safety as well as an interference rule. This rule pertains to a forced play situation regardless of the number of outs.
 - a. On a forced play at any base, including home plate, the runner must slide on the ground in a direct line between the two bases. This is a legal slide even if contact is made with the fielder.
 - b. On the ground, the forced slide can either be a head first slide or a slide with one leg and buttocks on the ground.
 - c. Directly into a base means the runner's entire body (feet, legs, trunk and arms) must stay in a straight line between the bases. (A runner need not slide directly into a base as long as the individual slides or runs in a direction away from the fielder to avoid making contact or altering the play of the defensive player.)
3. Contact is allowed if the runner:
 - a. Makes a legal slide directly into the base, or
 - b. Is on the ground at the time of contact and the fielder moves directly down the line between the two bases to attempt a play. Interference shall NOT be called.
4. It is an ILLEGAL slide if:
 - a. The runner slides or runs out of the base line in the direction

- b. The runner uses a rolling, cross-body or pop up slide into the fielder. A pop up slide is a legal slide as long as the runner does not make contact with or alter the play of the fielder.
 - c. The runner's raised leg is higher than the fielder's knee when in a standing position.
 - d. The runner goes beyond the base and makes contact with or alters the play of the fielder. (Beyond the base refers to any part of the offensive player's body that makes contact with or alters the play of the fielder beyond the base.)
 - e. The runner slashes or kicks the fielder with either leg, or
 - f. The slide is flagrant (if the runner's slide is determined to be intentional, the individual shall be ejected from the game).
5. If the runner, on a forced play, makes an illegal slide at any base, including home plate, interference will be called.
6. **Penalty:** With less than two (2) outs, the batter / runner, as well as the interfering runner, shall be declared out and no other runner(s) shall advance. With two (2) outs, the interfering runner shall be declared out and no other runner(s) shall advance.

17. COLLISIONS: ECTB's intent of this rule is to encourage base runners and defensive players to avoid collisions whenever possible. ECTB is looking to discourage unnecessary and violent collisions with the catcher at home plate and with infielders at bases.

1. When there is a collision between a runner and a fielder who clearly is in possession of the ball, the Umpire shall judge:
 - a. Whether the collision by the runner was avoidable (could the runner have reached the base without colliding) or unavoidable (the runner's path to the base was blocked) or
 - b. Whether the runner actually was attempting to reach the base (plate) or attempting to dislodge the ball from the fielder.
2. **Penalty:** If the runner:
 - a. Could have avoided the collision and reached the base, or
 - b. Attempted to dislodge the ball, the runner shall be declared out even if the fielder loses possession of the ball.
 - c. The ball is dead and all other base runners shall return to the

last base touched at the time of the interference.

3. Approved Rulings:

- a. If the fielder blocks the path of the base runner to the base (plate), the runner may make contact, slide into, or collide with a fielder as long as the runner is making a legitimate attempt to reach the base or plate.
- b. If the collision by the runner was flagrant, the runner shall be declared out and ejected from the game.
- c. If the defensive player blocks the base (plate) or base line clearly without the ball or is not in the immediate act of catching the ball. Obstruction shall be called. The runner is safe and a delayed dead ball shall be called.

18. MALICIOUS CONTACT: Players are **REQUIRED** to know that malicious contact is **ILLEGAL**. The majority of intentional collisions occur at home plate where the Catcher is blocking the plate. Any player who, in the judgment of the Umpire, maliciously runs into another player is automatically ejected and is declared out. ECTB Umpires are instructed to enforce this rule if they witness any intentional and/or excessive force or if they suspect intent to injure another player.

1. **Penalty:** The offending player (whether offensive or defensive) shall be removed from the game.

19. COURTESY RUNNER: It is **NOT MANDATORY** with two (2) outs, to use a courtesy runner for the pitcher and catcher. Teams will have the option to use a Courtesy runner for the pitcher and catcher at any time during an inning but must follow all options and rules regarding Courtesy Runners listed below.

1. Option 1: If a team opts to bat their entire line up, they must use the last official batter of the previous inning as the Courtesy Runner. The second choice is to use the second last batter of the previous inning if the team needs a second courtesy runner that inning (this only occurs when the pitcher and catcher reach base in the same inning).
 - a. **First Inning Only:** In the event that the pitcher or catcher bat in the first inning of play and need a courtesy runner, they must:
 - i. Use someone from the bench (not already in the starting lineup), or

- ii. If batting the entire lineup, use the last batter posted in the starting lineup at the start of that game.
2. Option 2: If a team opts to bat nine (9) or ten (10) batters, the courtesy runner must be someone not in the current batting order of the game. (Example: Starter who is now on the bench or player who just arrives or someone who has not been in the game at all.) The exception to this rule is if there are no additional players on the bench; refer back to Option 1 for Courtesy Runners.
 - a. RULE: The courtesy runner(s) cannot be the same player for the pitcher and catcher in the same inning at any time.

110. INTENTIONAL WALK: ECTB will allow the Head Coach or Catcher of the defensive team to announce to the Home Plate Umpire that they would like to **intentionally** walk a batter.

No pitches are necessary, and the batter will be awarded first base.

111. RE-ENTRY: In all age divisions, starters may re-enter once but must re-enter in their original position in the batting order. Non-starters are not allowed to re-enter. When a starter re-enters, the player in the starter's batting order must be taken out of the game and is ineligible to re-enter for the remainder of the game.

Exception: The exception to the rule is if all players have been used in the game and an injury occurs to a starter not substituted for during the game and all players have been used. At this time, the following is allowed:

1. A non-starter must be placed in the injured starter's position.
2. If all non-starters are currently in the game, one of the non-starters must be moved to the injured players batting position and the original starter must go back in his original batting order. **A starter can NEVER be moved into another starters batting position.**
3. The player that was injured is finished for the game and cannot return.
4. If the sub should get injured in the game, the spot in the order will be recorded as an out.

112. ILLEGAL SUBSTITUTION:

1. If a team is caught with an illegal substitution, it shall be treated in the same manner as a player batting out of order, per the major league rule.
2. If the illegal substitution is caught before the illegal player comes to bat, the proper player will be inserted into the lineup.
3. If the illegal substitution is caught during the time the illegal player is at-bat, but before he reaches base, the illegal player is removed and the proper player will be inserted into their proper batting order and will assume the count of the illegal player (follow Pro Rule for batting out of order).
4. If the illegal substitution should complete his at-bat and the opposing team protests "batting out of order", the PROPER BATTER is now OUT. If the opposing team does not protest the illegal substitution prior to a pitch being thrown to the next batter or an attempted play has occurred, the illegal substitution is now considered legal and the batting order shall continue. (Example 1: #4 batter was illegally substituted with the #5 batter. After he completes his at bat, the opposing team protests. Batter #4 is marked OUT, and batter #5 returns to the plate as the proper batter. Example #2: #7 batter was illegally substituted with #8 batter, #8 batter reaches base and no protest occurs, the next batter MUST be the #9 batter. The #7 batter slot is lost this time through the lineup..)

I13. DESIGNATED HITTER: In age divisions of 13u and up, the Designated Hitter (DH) may be utilized.

1. A team using a DH is required to make the opposing team as well as the plate umpire aware of a DH prior at the start of the game. This must be addressed when covering field ground rules. Both teams must exchange lineup cards with the opposing team and the plate umpire.
2. The DH can only bat for the pitcher.
 - a. If the starting pitcher has a DH batting in his spot in the order and he leaves the mound but stays in the game in another defensive position, the starting pitcher then replaces the DH in the batting order and this eliminates the DH for the remainder of the game.

3. The DH can bat anywhere in the lineup if a team chooses this option.
4. The DH is a free batting spot only, he cannot play defense.

114. EXTRA HITTER: In all age divisions, one (1) Extra Hitter (EH) will be allowed unless a team chooses to bat their entire lineup.

1. A team using an EH is required to make the opposing team as well as the plate umpire aware of the EH prior to the start of the game. This must be addressed when covering field ground rules. Both teams must exchange lineup cards with the opposing team and the plate umpire.
2. A team using an EH will have a ten (10) player lineup and this lineup must be used the remainder of the game.
3. If a team is unable to continue a ten (10) player lineup for any reason, the spot will be marked as an out.
4. The player in the EH position, while not actually playing a defensive position, will be treated as though they are for substitution purposes.
5. The re-entry rule applies for the EH (Example: Ron is the EH and batting fourth (4th). Bob is the catcher and batting seventh (7th). Ron can become the catcher and Bob the EH. Both players would remain in their original batting order. All players can move freely in defensive positions. The EH is considered an offensive position for batting order purposes.)
6. Once a pitcher leaves the mound and goes to the bench, he cannot return to pitch even if he occupies the EH position (EH is not a defensive position).

115. STEALING RULE: Free stealing is allowed for age groups 10u and older.

1. 8u and 9u Divisions:
 - a. 8u and 9u cannot steal home.
 - b. The ball must offensively be put in play for the runner to advance from third.
 - c. The only other way a player can advance from third is a bases loaded walk.
 - d. The defensive team will have no penalty in trying to pick off the runner stealing second. If third base is occupied, the runner on third cannot advance during a steal play. This will allow catchers to learn and attempt to throw the runner out

trying to advance per base. While attempting to pick off a runner, all over throws will not allow advancement. Players are awarded the base they were stealing only.

- e. In the event that a player has reached base, he must remain on the base. If he steps off the base, he is at risk of the opposing team making a play. He may not advance. His only option is to return the base that he is currently at. There is no penalty for the defensive team to make an attempt to get him out as stealing is not allowed.
- f. Common Rule for the 9u Divisions: **PLAYER MAY NOT LEAVE HIS / HER BASE UNTIL THE BALL LEAVES THE PITCHERS HAND.** If a player leaves early, he / she will be called out and the pitch will be a dead ball.
- g. 8U players must wait until the ball crosses the plate to steal.

116. PITCHING RESTRICTIONS: For age divisions 9u and up, there are NO pitching restrictions. For age divisions 8u and under, please review Section H5 – 8u and Under Player Pitch.

- 1. All pitchers once removed from the mound in any game may not return to pitch in the same game.
- 2. When a balk is called, it shall be an immediate dead ball and bases awarded accordingly, except in 12U where each pitcher will receive one balk WARNING prior to balks being enforced. 13U and Older divisions will not receive a balk warning.

117. BAT RESTRICTIONS:

This rule goes into effect September 1st, 2013

1. All age groups 13U and younger you are allowed to swing any bat you bring regardless of BBCOR or BESR approved. No Exceptions.

2. NEW RULE:

All age groups 14U and above will only be allowed to swing -3 bats stamped BBCOR. All other bats except wood will be unacceptable.

ALL WOOD BAT EVENTS:

Players can **ONLY** use any one piece Wood Bat. No Metal wood or composites are acceptable at any time. Bamboo is considered Composite and therefore is not allowed.

3. PENALTY:

If any team/player is caught using an illegal bat and that player has made contact with a ball whether put in play or not, the batter will be recorded as an out. After the player is called out a team warning is issued to that team, every player after that using an illegal bat on that team will be called out and ejected from the game. (These ejections are only a 1 game suspension it does not apply to the 2 game ejection rule). If the player is caught with an illegal bat and has yet to make contact with the ball he will be allowed to switch to a legal bat and resume his at-bat with no penalty. (3 ejections in a game on the same team the game is over and a forfeit is recorded)

118. FORFEITS: A team that forfeits a game due to cheating, fighting or ejections will be automatically removed from the remainder of the tournament and will not be permitted to continue with the scheduled games. **Exception:** If so agreed upon by the opposing team and the remaining opposing teams, for the sake of game play, the offending team may be allowed to play the remaining games **BUT ALL games will be recorded as losses for the offending team.** This decision will be based on individual situational basis with all parties in agreement and approved by ECTB officials.

1. A team forfeiting due to the above reasons or if a team leaves the field by choice and does not complete their game, the result will be:
 - a. All runs given up prior to the forfeit will be added to their runs allowed plus an additional fourteen (14) runs. The opposing team's runs will be recorded as well. (Example: Team A is winning three (3) to one (1). Team B leaves the field. Team B will be penalized with fourteen (14) additional runs against them plus the three (3) already scored from the game. Score recorded will be seventeen (17) to one (1).

119. EJECTIONS

1. **EJECTIONS (Players and Coaches):** Any player or coach ejected from a game for any reason will be required to sit out

the remainder of the game they were ejected from as well as their next game. If you feel you have been wrongly ejected, or should not have to sit the following game please contact the tournament director. The tournament director will consult with the ejecting umpire and his partner to determine if a second game suspension is necessary. If a coach or player is ejected a second time anytime throughout the remainder of the event, the offender will be permanently removed from the remainder of the tournament and must leave the premises for the remainder of the event. **This applies for ALL games (including pool, semi-finals and finals). NO EXCEPTIONS! Any player or coach not abiding to this rule will cause their team to forfeit from the event.**

- a. Any time a team has three (3) player or coach ejections within a game, it is an automatic forfeit and cause for dismissal from the remainder of the event. Fourteen (14) additional runs will be placed against the offending / forfeiting team and all points accrued from this event will be forfeited as well (ECTB points).
- b. **PENALTY AND SUSPENSION RULE : EJECTIONS DURING SEMI-FINAL AND FINAL GAMES** – The penalty for ejections in semi-finals and Championship Games will be as follows:
 - i. 1st Occurrence: \$100 Penalty for your first occurrence.
 - ii. 2nd Occurrence: \$200 Penalty for your second occurrence.
 - iii. 3rd Occurrence: \$500 Penalty for your third occurrence.
 - iv. 4th Occurrence: \$500 Penalty WITH a full one (1) year Suspension.
- c. Players and Coaches ejected during semi-final and final games will be sent a Suspension form. The form must be filled out and returned with the Penalty fee of

the occurrence listed above within fourteen (14) days of that ejection occurrence or prior to the teams next event (if sooner than 14 days). Failure to pay the penalty within this time period will be cause for immediate indefinite Suspension. Once a player or coach receives four (4) ejection occurrences, he will be served with his one (1) year suspension and the suspension will begin from the date that the Suspension form and penalty fee are received in the ECTB office.

- d. Any player or coach who does not abide by the Penalty fees in the time period allotted will not be permitted to participate in any way and is not allowed to attend any ECTB affiliated events (including Sanctioned and Official events, leagues or other ECTB programs). Parents are responsible for their minor child's ejection fees. Ejected players may not be rostered on upcoming tournament rosters until their fees are paid.
 - e. ECTB staff will monitor these penalties / suspensions closely. Any coach / player who has an outstanding penalty that attempts to participate or attend (attend is defined as physically being on any grounds being used for an ECTB affiliated event) will result in their team immediately being removed from the tournament they are participating in, forfeiture of entry fee paid and review of possible team suspension for the remainder of the season. See Section G – Reasons for Suspension.
2. **EJECTIONS (Parent or Fan):** Parents or fans ejected from a game will be dismissed from the remainder of the tournament (must leave the premises – any common grounds of the

current location the event is taking place). The ejected Parent / fan has five (5) minutes to leave the premises or the Head Coach will be ejected as well. Head Coach will be subject to standard ejection rules (meaning he would then be required to sit out the next game). It is the Coaches responsibility to make sure his parents and fans are under control at all times. (Fan is defined as anyone associated with your team; this includes but is not limited to parents, siblings, grandparents, sponsors, etc.)

- 120. SAFETY RULE:** Each team will receive one (1) Team Warning when the infraction occurs of a player throwing his bat. After the team warning, players will be called out if the violation occurs at anytime during the remainder of the game. If the player is called out, all play will stop, all runners will return to their base at the time of the pitch. If the thrown bat causes an injury, forcing a player to leave the game, the batter who caused the injury will be ejected for the remainder of the game and must sit out the next game of the event. NO EXCEPTIONS!
- 121. TIME OUTS:** Coaches delays can occur when a coach deliberately stops the game for a team meeting, trips to the mound and not hustling their players on and off the field when three (3) outs occur. The offending team then becomes subject to delay of game penalties and the game can be changed by the plate Umpire or the Tournament Official in order to complete the game or add time onto the game. This is providing the team making the infraction is winning and the opposing team gets the plate Umpire to impose that an infraction has occurred. The plate Umpire makes both teams aware of the ruling immediately. A coach on his second trip to the mound in an inning must remove the pitcher. (The maximum trips to the mound in a single game are four (4).) All other trips, the pitcher must be removed unless injury occurs).
- 122. CATCH AND CARRY RULE:** There is no catch and carry allowed. All players must catch the ball with both feet inside the out of play lines. If a player makes a play in foul territory and his momentum carries him out of play after making the catch, the ball is dead and all base runners will be advanced one (1) base. (Coaches should review with their teams where the out of play lines are prior to the start of the game at each field.)

123. CONSOLATION GAME REQUIREMENT: ECTB determined it necessary to add the policy / penalty in the 2004 season and will continue to follow this requirement in order to ensure teams receive the number of games ECTB guarantees in our tournament format.

1. Teams that have not made it into the winner's bracket are placed in the consolation round and are **REQUIRED** to play their consolation game. **Should a team decide to not play their consolation game against another consolation team, the team choosing not to play will incur a penalty of twenty-five percent (25%) of that tournament entry fee, which is due to ECTB within two (2) weeks post the conclusion of the event.** If a team owing this penalty does not submit this fee within his two (2) week deadline, the team will be suspended from future events as well as forfeit any points accrued during this event and any fees on deposit with ECTB (for events, leagues, showcases that have already been received in the ECTB office) UNTIL this fee is submitted and received.
2. If a team shows up for the consolation game and no opponent shows up (within a reasonable amount of time), the team should contact the Head Director and make him aware of the situation. At that time, the Head Director will make an effort to find a replacement team. If a team does not notify the Head Director that their opponent did not show up and the team leaves, ECTB will consider this a joint decision by both teams and no penalty or compensation will be enforced.
3. Any team that is left without a consolation game (meaning ECTB is unable to find a replacement team to play the team who wants the consolation game) will be awarded a **credit only** VOUCHER of twenty-five percent (25%) of the entry fee within two (2) weeks post the conclusion of the event as compensation for the loss of their consolation game. If ECTB is able to find a replacement team, this penalty will not be enforced. (Example: Teams A and C are scheduled to play a consolation game and Teams B and D are scheduled to play a consolation game. Teams A and D both choose to leave without playing a consolation game, Teams B and C are able to be matched up to complete a consolation game.)
4. If two (2) teams that are scheduled to play a consolation game both agree to not play the consolation game, no penalty will be issued as it was a mutual decision by both opponents to not play the consolation game.

This joint decision **MUST** be called in to the Head Director by **BOTH** teams and will be recorded as a tie (both teams will receive ECTB points for the game.)

5. In the event ECTB is able to find a replacement to play your consolation game, points will be awarded based on the outcome of the game. There will be no additional forfeit points awarded
6. This policy will **ONLY** be enforced if ECTB is unable to find a replacement team to play a team who wishes to have a consolation game but is unable to because their opponent did not show up. No cash will be awarded. The compensation will be strictly credit issued in **VOUCHER** form for the team to use towards future ECTB participation (See Voucher Guidelines).

124. THUNDER / LIGHTNING RULE: If lightning is seen, the Umpire will stop the game immediately and the general rule is to wait twenty (20) to thirty (30) minutes after the last lightning strike before allowing the game to resume. It is at the umpire's discretion (based on how far off the lightning may be) as to when he determines to stop the game.

125. GAMES NOT COMPLETED: Games not completed (due to lightning, inclement weather, darkness or other acts of God) will be handled as follows: All games must be recorded at the point at which they are stopped (including all pertinent information – teams involved, time left in game, score, inning, outs, count, who's at bat). Umpire should sign the scorebook at the time the game is stopped. The completion of the game will be based on the following:

1. The standard is that all games must be finished from the point at which the game was stopped and ECTB will reschedule the completion of the game. This does not include consolation games (will be marked as complete or canceled).
2. Other than the standard, if both teams agree to not finish the game, score will be recorded as final (Pool Play).
3. **ECTB** has stamped the game as official after four (4) complete innings and the game is tied or the game has no effect on the reseeding process.

126. RULES NOT COVERED: This is a general rulebook used as a basis for

primary guidelines set forth by ECTB for functions associated with the organization. Playing rules not specifically covered in this rulebook should be referred to ECTB Officials to be addressed. ECTB will follow as the next order of established rules the Major League Baseball Official Rulebook.

1. ECTB reserves the right to alter, change, add and delete rules, policies and procedures at any time throughout the season as situations occur that would require ECTB to re-evaluate a rule or create a rule to further benefit the individuals participating with this organization.
2. ECTB will ALWAYS make any and all updates to this manual available to individuals on the ECTB website (www.ectb.org) under ECTB Official Rulebook. Teams not finding a rule in their pocketsize manual may need to consult the online manual that will carry all updates.

Section J OFFICIAL AND SANCTIONED LEAGUE RULES

- J1.** All Leagues advertised on ECTB's website are considered Official or Sanctioned Leagues and will be required to follow ECTB's policies and procedures including but not limited to Refund Policy, Suspensions and Team / Player / Coach Eligibility.
- Each Sanctioned League Coordinator will be advertised on the DETAILS of that league with contact information. Each League Coordinator is required to provide all teams participating within that league a complete list of that League's Specific Guidelines and Rules.

Section K MISCELLANEOUS

- K1. ECTB POINTS RANKING:** Teams in all age divisions that participate with

ECTB will receive points through the ECTB point system. These points will be issued for games played, wins, losses, ties, and tournament results.

1. Criteria and points established for National ranking in ECTB Tournaments

Final Results	Standard Event	Holiday Events	Double Points Events	National Invitational Tournaments	National Championship Series
1 st place	30	50	70	90	150
2 nd Place	25	45	65	80	140
3 rd Place	20	40	60	75	130
4 th Place	15	35	55	70	120
5 th – 12 th	10	30	45	60	100
13 th – 19 th	5	25	30	50	75
20 +	2	10	20	30	50

2. Ala-Carte Games & League Points

Membership Ala Carte Games	Sanctioned League Games	Final league Standings Bonus Points
Win Game + 3	Win Game + 5	1 st – 4 th + 30
Tie Game + 1	Tie Game + 2	5 th – 8 th + 20
Participate + 1	Participate + 1	Below 8 th + 10

Sanctioned League Teams after they accrue 4 games in our program in a season will be eligible for the bonus points based on the winning percentage of the team they face in a game or tournament. Example: if your record as recorded within our program is 14-1, you are at 933% and you lose a game in league play or tournament play to a team with a lesser record the team with the lesser percentage will receive bonus points for that game.

This is only available if both teams are in the bonus stages, which will be after their first tournament or first four league games. These bonus points are not applicable in ala carte games.

K2. HOST HOTELS: All ECTB Tournaments are “Stay and Play” type events. Teams needing overnight accommodations MUST use one of ECTB’s

TEAM COURTESY: Just as ECTB expects the best out of our affiliated Host Hotels, we expect the same courtesy from the teams that represent our organization at the Hotels. ALL Teams are required to be courteous, polite and on their BEST BEHAVIOR while staying at the Host Hotels. Any teams displaying unfavorable / disruptive behavior, language or destruction of property will be removed from the remainder of the event as well as future participation in any ECTB affiliated events.

K3. NON-HOST HOTELS: Teams attending OFFICIAL ECTB events that require hotel accommodations that opt to not book through an ECTB Sponsoring Hotel will be removed from the event with no notification. All fees paid to the ECTB organization associated with the event will be forfeited by the team and the team will be banned from ECTB events for the remainder of the season.

1. Teams requiring hotel accommodations found to be staying in NON host hotels **PRIOR** to the start of the event.
 - a. Will be asked to comply with ECTB's requirements and book through an ECTB Sponsoring Hotel. ECTB will not be held responsible for any cancellation fees incurred by an offending team that must cancel out of their non-affiliated hotel rooms.
 - b. Will be removed from the event if the team refuses to comply.
 - c. Will be banned from further events for the remainder of the season if the team refuses to comply OR is found to be a repeat offender of the Host Hotel policy.
 - d. Teams found to be staying in non-affiliated hotels that refuse to comply with ECTB will forfeit any fees paid in association to the event due to not following proper ECTB policy to participate.
2. Teams found to be in NON-affiliated Hotels **DURING** or **POST** the event:
 - a. Will be given one (1) warning and advised of the requirements.
3. If a team is found to be a repeat offender concerning staying in NON Sponsoring Hotels when Host Hotels are available, the team will be removed from future events and suspended for the remainder of the season or indefinitely.
4. In the event that ALL HOST Hotels (within reason) are sold out or unable to accommodate a team's specific needs (i.e. number of rooms, room type) ONLY then are teams permitted to go outside the ECTB HOST Hotel group. **This requires the team to notify ECTB of the situation and be granted approval from ECTB.**

5. If an event does not list affiliated HOST Hotels, teams are free to make their travel accommodations as they see fit.

K4. COMMUTING: If your team is Commuting, please indicate this on the website. (Please note: ECTB defines a COMMUTING TEAM as a team within driving distance to the fields (under one and one-half 1½ hours) that will be driving from home to the field DAILY). Commuters should realize that games will begin as early as 8 am during an event and MUST allow enough time for travel to arrive on time to their games as ALL teams are subject to 8 am games.

K5. EVENT DATES AND GAME TIMES: In most instances, Official ECTB events are listed on the website including Friday dates. ECTB incorporates Friday into our event dates in the instances where some age groups may start play on Friday evenings based on lighted field availability. ECTB rarely starts games any earlier than 6 pm on a Friday. (**Exceptions:** Holiday weekend events, National Championship Series (NCS/ACS) events and Mansfield University summer events.)
Game times can and will begin in most cases as early as 8 am during an event. Teams should make proper arrangements to ensure that their team is on time to their scheduled games.

K6. SPECIAL REQUESTS: ECTB attempts WITHIN REASON to honor team's Special Requests whenever humanly possible. If a special request is **not** noted in a team's special request box prior to the TENTATIVE schedule being created, ECTB will NOT alter the schedule to accommodate. Teams with special requests WITHIN REASON must submit their request PRIOR to the tentative schedule being posted. ECTB will review each special request and ATTEMPT to accommodate whenever possible.
Submitting a Special Request does not guarantee that it will be accommodated. Teams requesting such things as "no early games on any days" or "no late games on any days" or "no games against a certain team" CANNOT and WILLNOT be accommodated.

**SPECIAL REQUESTS WILL NOT BE ACCEPTED NOR HONORED FOR
NCS EVENTS!!!**

SPECIAL REQUESTS DISCLAIMER

When registering for tournaments on the ECTB website and you would like to place a special request for a tournament, please do so on your registration page in the box labeled SPECIAL REQUESTS. Ninety-nine percent (99%) of the requests that are made during the registration process are honored. The likeliness of getting your request honored lessens with each day that you wait to place your request. ECTB would appreciate it if all requests would be submitted at least two (2) weeks prior to the start of the event so that all requests can be honored at the time the schedules are created. Scheduling requests made within two (2) weeks prior to the start of the tournament will no longer be accepted. If you are unsure of your requests at this time, please send an e-mail to info@ectb.org and we will update your request where possible.

K7. SCHEDULES: ECTB endeavors to provide teams with a tentative schedule several days prior to the start of the event (in most instances the Tuesday prior to the start of the event). Tentative schedules are subject to change for any reason ECTB sees fit.

Schedules become OFFICIAL usually the Thursday before the start of the event after 5 pm barring any unforeseen circumstances. ECTB makes every effort to keep as close to the original Tentative schedule whenever possible but makes no guarantees that the Official schedule will be the same as the tentative schedule. Teams are HIGHLY advised to NOT go by the tentative schedule but wait for the schedule to say 'OFFICIAL" before printing and notifying their players and parents.

Unforeseen circumstances unfortunately occur after a schedule is published OFFICIAL. In these situations, ECTB makes every effort humanly possible to make as few changes as absolutely necessary to proceed. If an Official schedule is changed (i.e. loss of a field, team withdrawing, inclement weather, etc.), ECTB will notify the teams immediately affected by these changes via e-mail notification.

K8. EVENT UPDATES / NOTIFICATION: Teams participating in Official ECTB events will be able to find out updates (i.e. cancellations, field or game time changes, reseeding, etc.) concerning the events they are participating in by the following means of communication:

1. **Rained Out Text:** ECTB's first line of communication with teams about changes or updates during an event is by text message. It is vital that coaches forward Rained Out information onto all parents / players on the team as this will be ECTB's main form of communication information about schedules and venues changes. Rained Out is an option for all official ECTB tournaments & you MUST sign up per tournament w/ the code listed on each tournament schedule. ECTB administrators will have the ability to contact you instantly through text when important changes have been made to a tournament.
2. **E-mail Notification:** ECTB's second line of communication with teams about changes or updates during an event is by e-mail notification. Team "Contacts" should check their contact information periodically or at least one (1) week prior to the start of an event they are participating in to make sure that the e-mail addresses on file is a valid and working e-mail. Teams that have access to a lap top during the event are wise to bring one along as this is one of ECTB's second measures utilized to notify teams as well as team's will have first hand access to schedules as they are changed or updated.

K9. FIELD DIRECTORS: Official ECTB events will have assigned Field Directors at all events and whenever possible at each field or complex. Field Directors will be identifiable by ECTB STAFF t-shirts and hats.

1. ECTB Field Directors will be in charge of providing each team with a Tournament packet prior to the start of each team's first game of an event.
